

Information about the below Draw

Keep in mind the following when looking at your draw

- 1 There is a chance that you will be in a higher division than you think you should be.
We have many teams that will not be bringing their full team and will be moving down a division
- 2 There is only 1 reason we will look at switching a teams draw.
Division 1 - If you play a team that you play in the regular season in the first round
Division 2-8 - If you play a team that you play in the regular season on the first day.
- 3 We will not consider moving a team to another Division unless you wish to move up a division.
This will only be done in an extreme situation
- 4 Keep in mind that the tournament directors do the best they can with the information given to them.
- 5 It is the responsibility of the coach to know the times and location of your matches.
double check the draw on Wed. March 1 after 1:00pm to make sure no changes have been made.
- 6 All Saturday times and locations for ALL divisions will be located online by
Friday March 3 at 7:30
- 7 Tournament Directors have the right to move a team to a different group due to site coverage on Sat.
- 8 It would be a good idea to print out the below draw. The draw in the program might be wrong.
- 9 If a team drops that spot will turn into a bye. We are sorry that some teams may
have 1 less match but there is not much the tournament directors can do.

California Boys Tennis Classic

Division 1
