

Information about the below Draw

Keep in mind the following when looking at your draw

- 1 There is only 1 reason we will look at switching a teams draw.
Division 2-8 - If you play a team that you play in the regular season on the first day.
- 2 We will not consider moving a team to another Division unless you wish to move up a division.
This will only be done in an extreme situation
- 3 Keep in mind that the tournament directors do the best they can with the information given to them.
- 4 It is the responsibility of the coach to know the times and location of your matches.
double check the draw on Wed. March 7 after 1:00pm to make sure no changes have been made.
- 5 All Saturday times and locations for ALL divisions will be located online by
Friday March 8 at 7:30
- 6 Tournament Directors have the right to move a team to a different group due to site coverage on Sat.
- 7 It would be a good idea to print out the below draw. There will be no draw in the program
- 8 If a team drops that spot will turn into a bye. We are sorry that some teams may
have 1 less match but there is not much the tournament directors can do.
- 9 **It is very important that you join the tournament remind app. This will be the way we communicate any updates before and during the tournament. See the top of any page on the web site to join.**
- 10 There is no Division 1 format this year to many of the teams from the past dropping out or not having the strength as they have had in the past.
